Some one from the Bruin Backers will contact you very soon to schedule your group to oversee the Flea Market on a specific date. The Flea Market will be held on the 3rd Saturday of each month.

The duties of the group signing up for the Flea Market include: 1) setting out 2 trash containers at the east and 2 at west isles of the Flea Market at 8:00 a.m., 2) remove these two trash containers at 2:00 to the trash pick up location behind the cafeteria, 3) oversee clean up of Flea Market sellers from 1:00 – 2:00 p.m.

Fees will be collected by a Bruin Backers representative. Half will go to the Backers, the other half to the group overseeing the Flea Market on that day.

As a suggestion, athletes and parents may want to utilize this opportunity to make even greater profits from this effort by selling items themselves. A great idea is to select a theme, like sports equipment, or furniture, or nic-nacs so you don't end up with a lot of stuff nobody wants.

Any questions may be sent to Marv Kidwiler at MarvKid@aol.com.
